Access a world of open research with the Open Access Button community
What can you do to promote open access?
Talk to your professors

About our next publication... I am thinking of an Open Access journal...
Talk to your librarian

I care a lot about Open Access. Can we have a chat about the current scholarly communications system?
Make your voice public

YOUR Message here!
Involve your classmates

• Plan a session on Open Access during lunch time
• Create fliers with the benefits of open access
• Push for an institutional repository
• Push for an open access mandate
Celebrate Open Access Week

Register Your Open Access Week Event!
Planning an event this year? Make it count! Click here to add your event to the list of those happening around the world.
