

Instructions to Authors

Papers should be written in English and submitted electronically to trasportieuropei@istiee.org (recommended) or, by regular mail, in printed form to:

prof. Romeo Danielis

Dipartimento di Scienze Economiche e Statistiche, Facoltà di Economia
Università degli Studi di Trieste. P.le Europa, 1, 34100 Trieste, Italy
Phone: +39-0405587076 - **Fax:** +39-040567543

Submission of a manuscript is considered to be a representation that it has been neither copyrighted (or if copyrighted is clearly marked so that the appropriate permission can be obtained) nor published, that it is not being submitted for publication elsewhere, and that, if the work results from a military contract, it has been released for open publication.

When the paper is accepted for publication:

- the authors will be asked to prepare their final version according to the **template** attached to this document
- if the final manuscript does not followed the template's prescriptions, in order to spare on editing time the authors will be asked to revised it
- the authors will be sent proofs of the article to be revised
- **when** the final manuscript is ready, it will be published **as soon as possible**

Referencing

References follow the Harvard style.

– Citations in the text comprise the author's surname and the year of publication, e.g.: (Jansson, 1980),(Marguier and Ceder, 1984).

Guidelines for the preparation of the list of references

ARTICLE IN A JOURNAL WITH ONE AUTHOR:

Swait, J. (2001) "A non-compensatory choice model incorporating attribute cut-offs" *Transportation Research, Part B: Methodological*, 35 (10), pp. 903-28.

ARTICLE IN A JOURNAL WITH MORE THAN ONE AUTHOR:

David, P., Bunn, J. (1988) "The Economics of Gateway Technologies and Network Evolution: Lessons from Electricity Supply History", *Information Economics and Policy*, 3 (2), pp. 165-202.

CHAPTER IN A BOOK:

Regan, A. and Garrido, R. (2001) "Modelling Freight Demand and Shipper Behaviour: State of the Art, Future Directions", In: Hensher, D. (eds) *Travel Behaviour Research: The Leading Edge*, Pergamon, Amsterdam.

WORKING PAPER:

Gavish, B. and Graves, S.C. (1981) "Scheduling and Routing in Transportation and Distribution Systems: Formulations and New Relaxations", *Working Paper 8202*, Graduate School of Management, University of Rochester, Rochester, NY.

BOOK:

Urban, D. (1993) *Logit – Analyse. Statistische Verfahren zur Analyse von Modellen mit qualitativen Response-Variablen*, Gustav Fischer, Stuttgart.

DISSERTATION:

Jaillet, P. (1985) Probabilistic Traveling Salesman Problems, *Ph.D. thesis*, Massachusetts Institute of Technology, Cambridge, MA.

PRESENTATION AT A CONFERENCE:

Maggi, R. and Bolis, S. (1999) "Adaptive Stated Preference Analysis of Shippers' Transport and Logistics Choice", *World Transport Research -Proceedings from the 8th World Conference on Transport Research*, (H. Meersman, E. Van de Voorde, W. Winkelmanns eds.), Pergamon, Amsterdam.
